Indoor fixed installation

IF1 Series

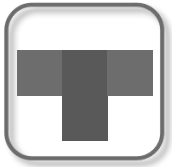

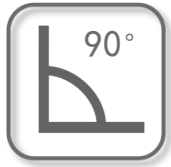

Ultra high definition

Light weight

Flexible assembly

Right angle splicing

Hardwired

Pre maintenance

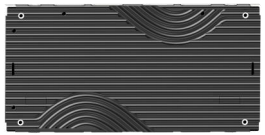

Quick installation

High gray high brush

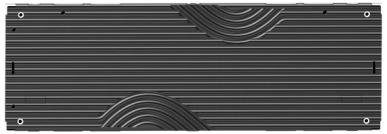

Cabinet size

500X250X33mm

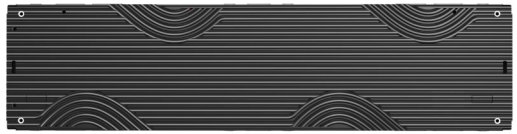

750X250X33mm

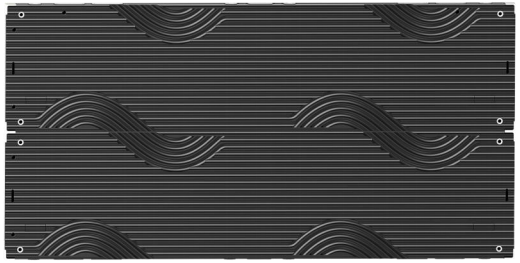

1000X250X33mm

1000X500X33mm

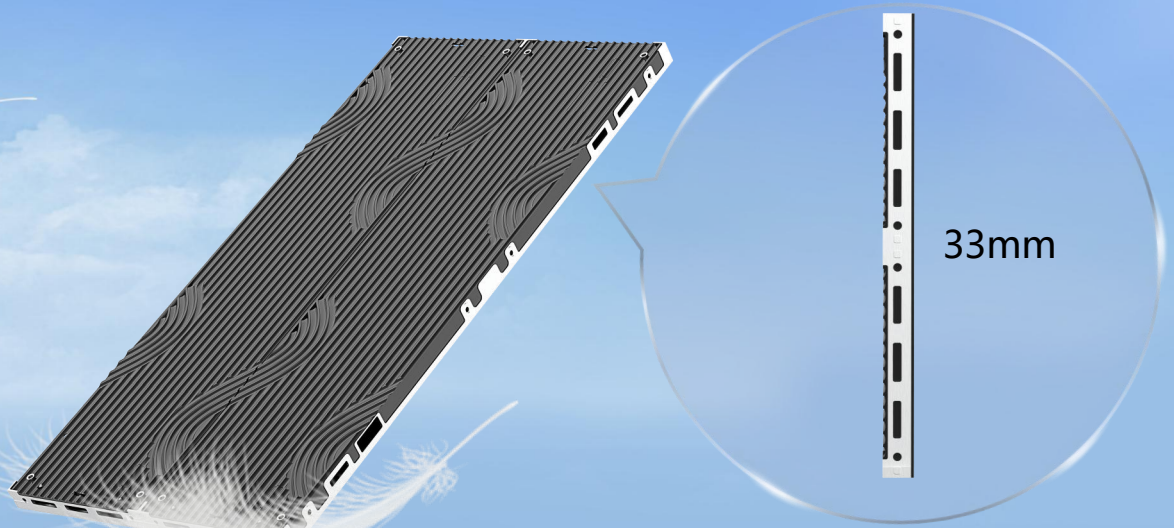

Cabinet weight

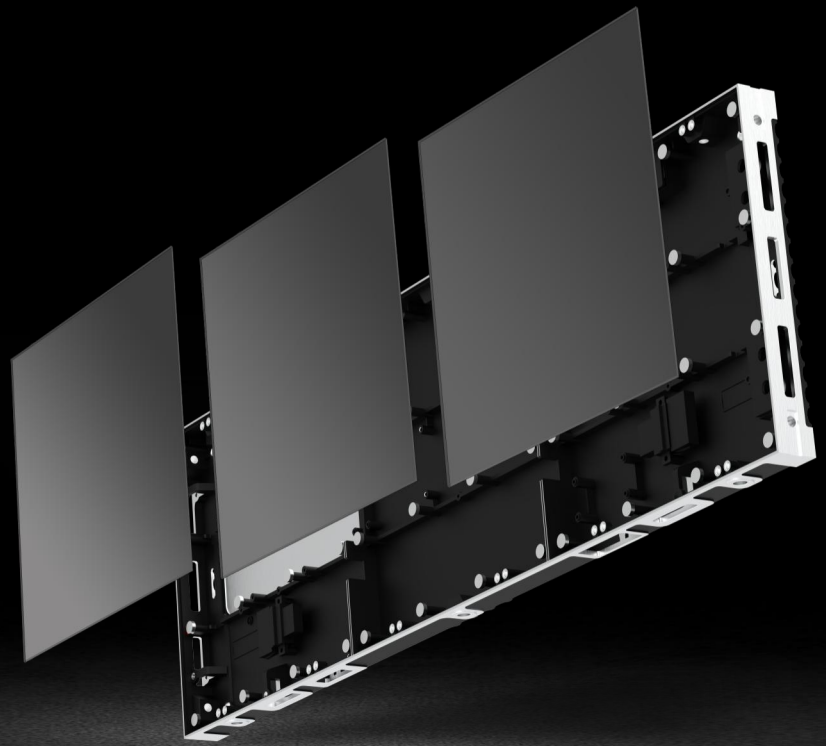

Die cast aluminum integrated box body, high precision, with a total thickness of only 33mm,

The weights of the four types of boxes, 1000X500mm/1000X250mm/750X250mm/500X250mm, are as follows:9.8kg/5.0kg/4.0kg/3.0kg

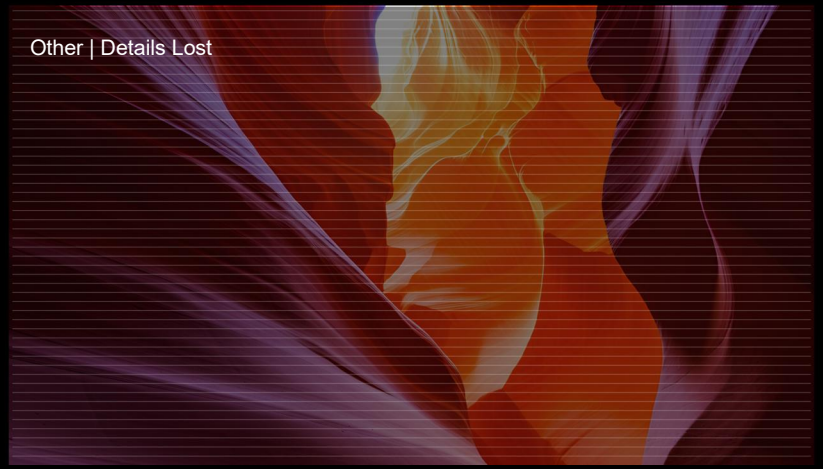

Front maintenance

Support pre installation and maintenance,
with zero space constraints

High brightness and high gray

High grayscale and high refresh rate, no scanning lines in photography, resulting in a more realistic and delicate display with vibrant and saturated colors.

160°
Large viewing angle

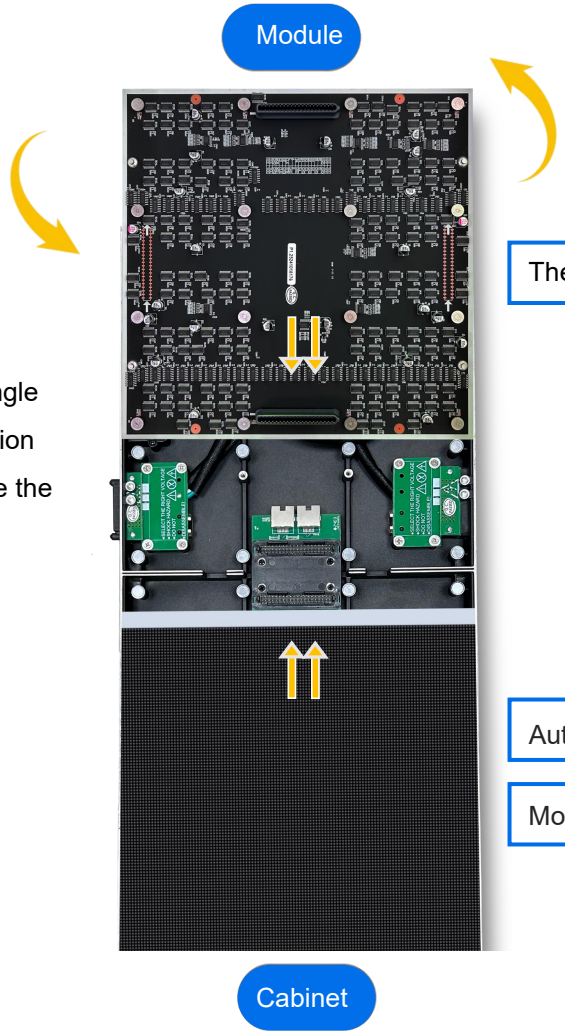

HZ
3840Hz
High refresh rate

10000:1
high contrast ratio

16bit
High grayscale

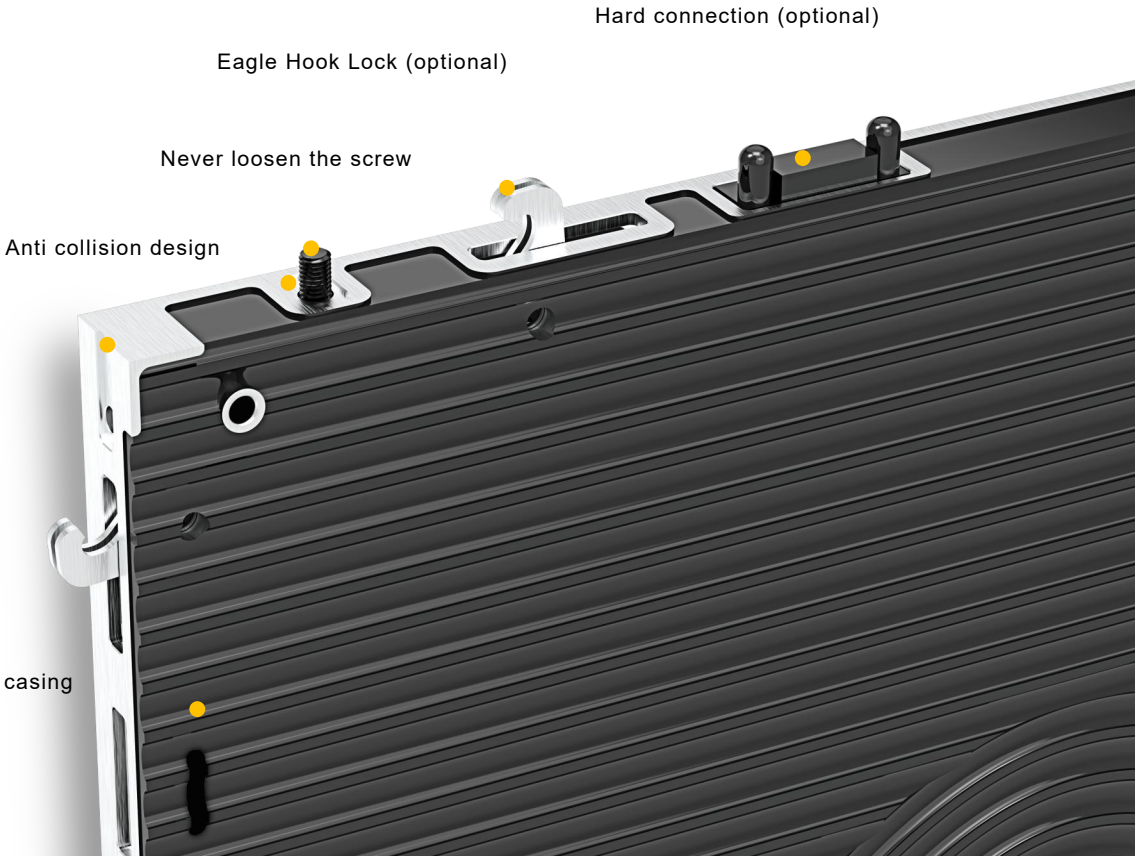

Innovative module

- The innovative design of the module ensures that the viewing angle of the light beads is not affected when rotating the module direction Impact, there will be no color difference. Not only does it improve the visual comfort, but it also enhances the visual effect The attractiveness of fruit.
- The module is hard connected to the box, and the module adopts magnetic suction automatic adsorption, which is reliable and does not fall off.

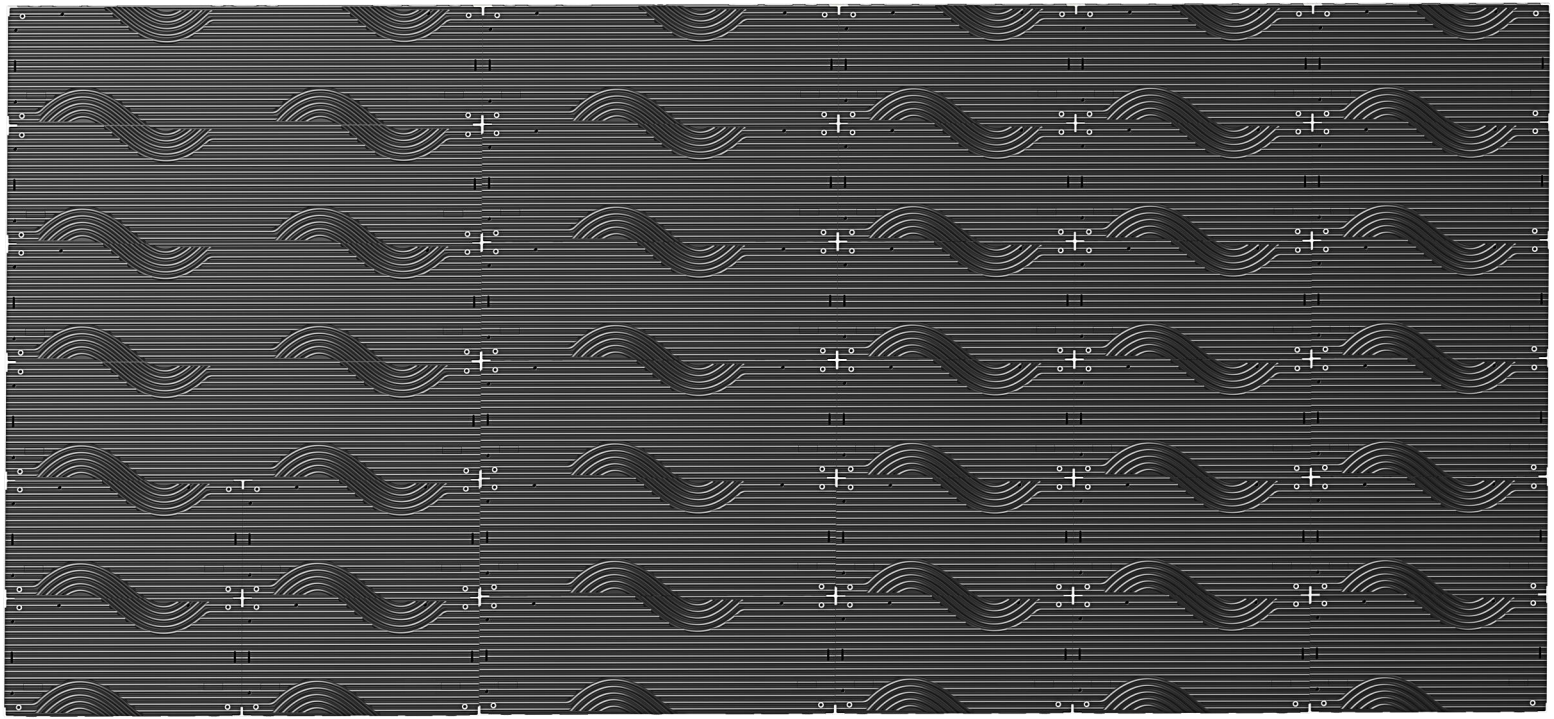

Product Details

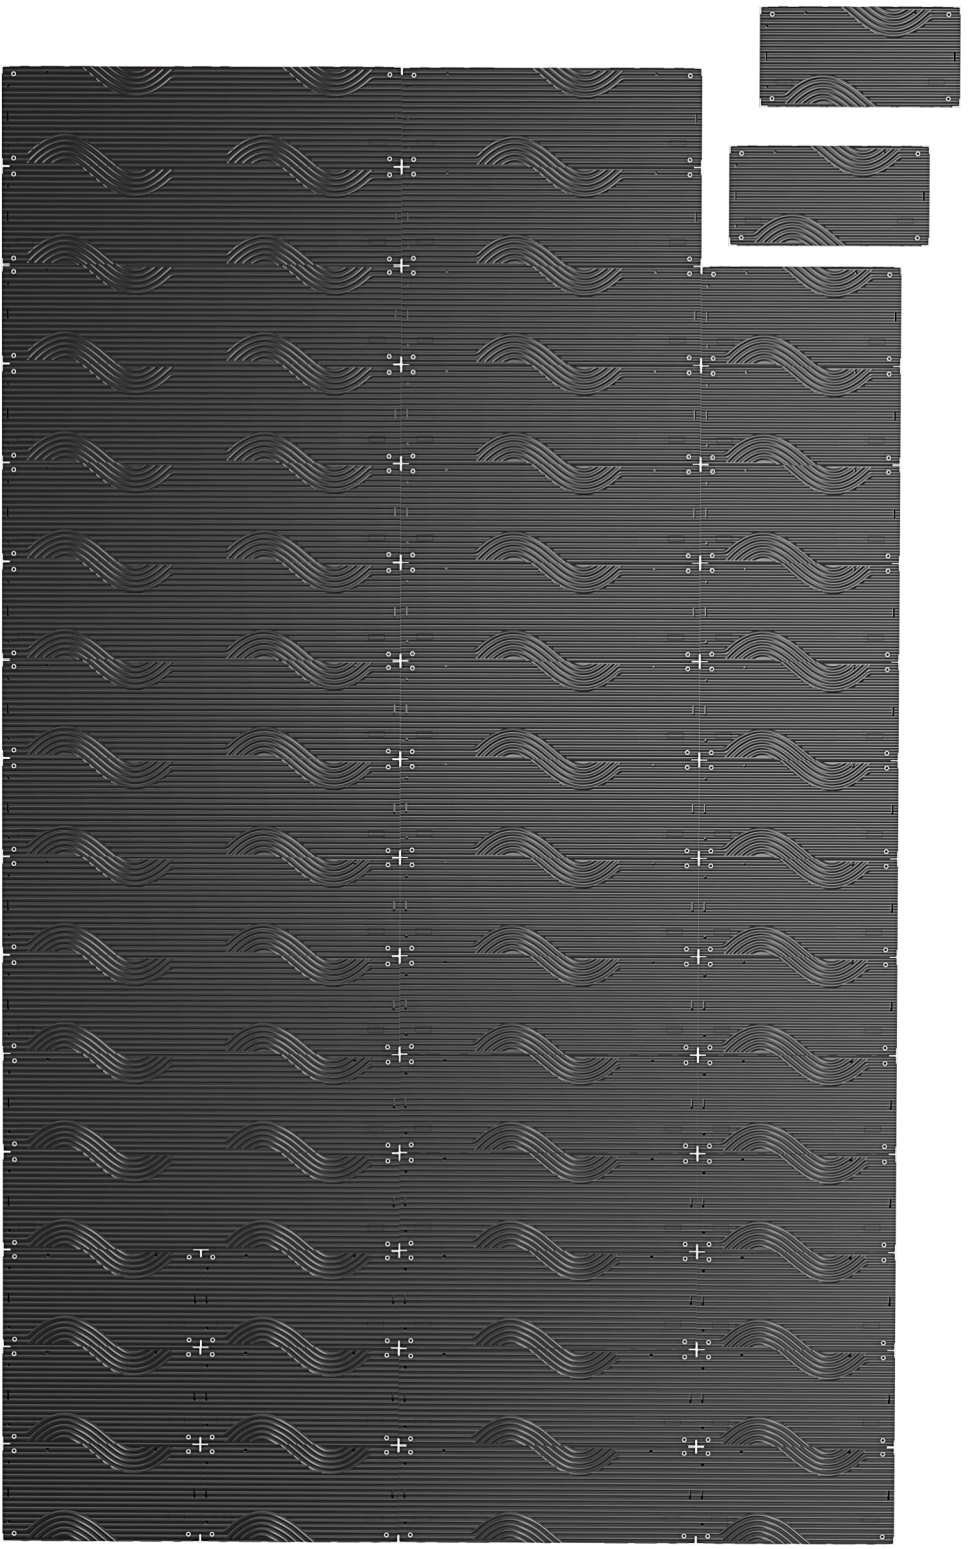

- Integrated power signal quick plug interface reduces internal wiring work in the box, making installation faster.
- The box is made of high-precision die-casting material, with integrated molding, positioning columns, eagle hook locks (screws that cannot be loosened), reinforcement ribs and other details designed for higher flatness. Effectively improve installation efficiency and enhance customer experience.

Free splicing, flexible display

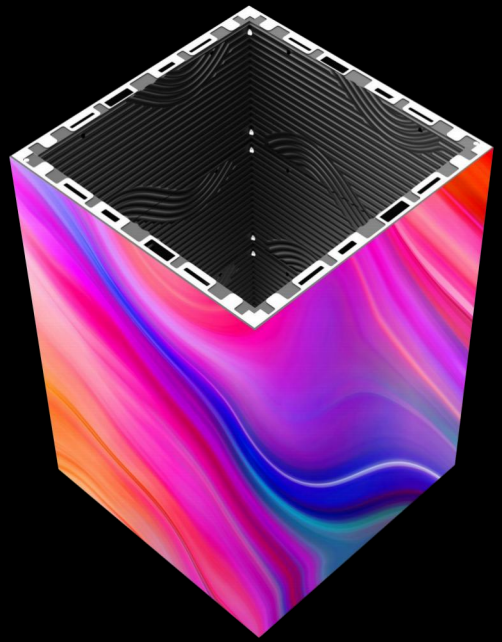

The four types of enclosures, 1000X500mm, 1000X250mm, 750X250mm, and 500X250mm, can be flexibly spliced horizontally and vertically, providing unlimited possibilities for your creative ideas and applications in any scene

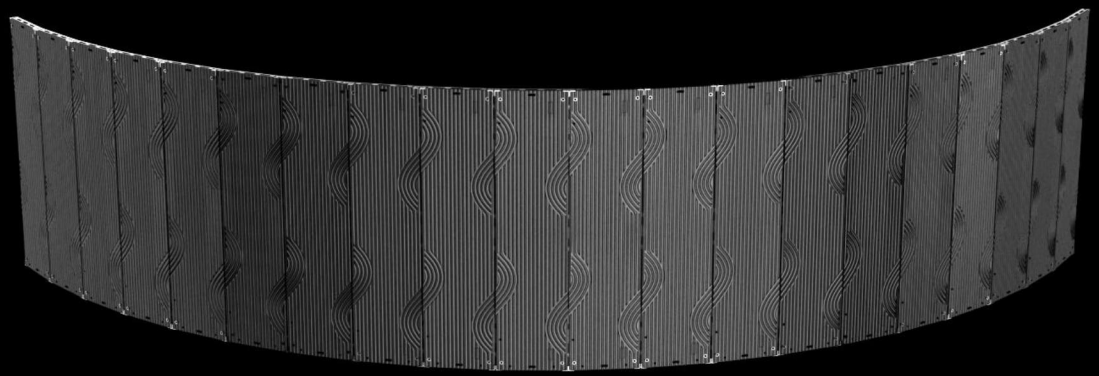

Creative splicing, infinite imagination

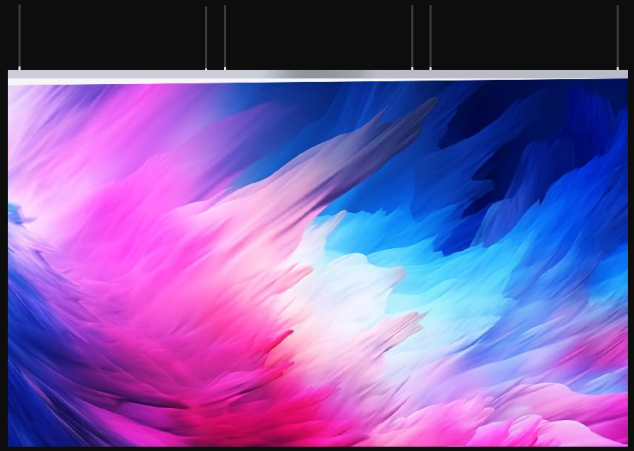

Supports shapes such as right angles and columns to meet various creative splicing needs.

Installation method

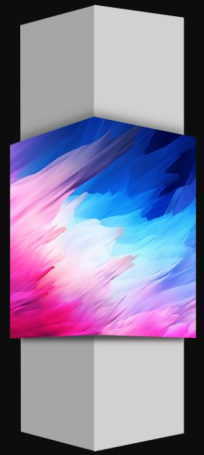

Support multiple installation methods such as lifting, wall mounted installation, and column shaped installation, suitable for more scenarios.

Hanging

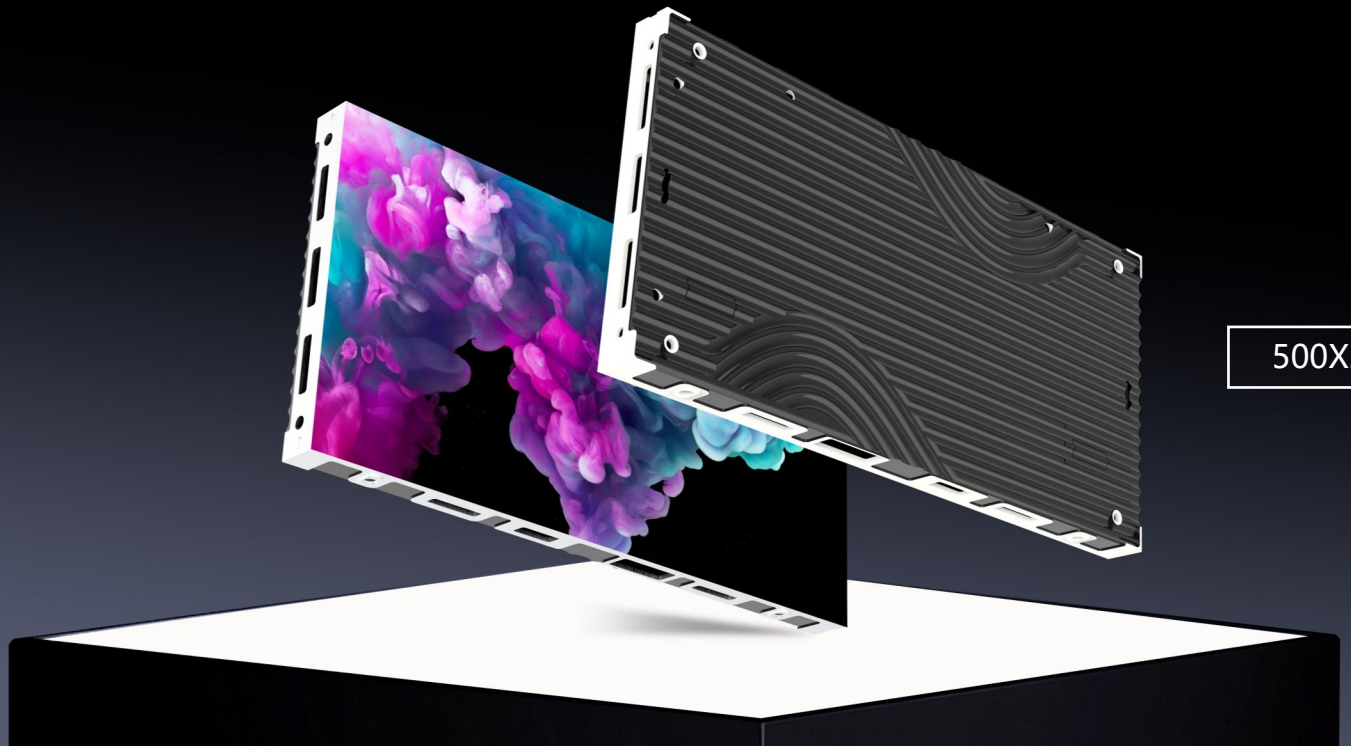

Wall mounting

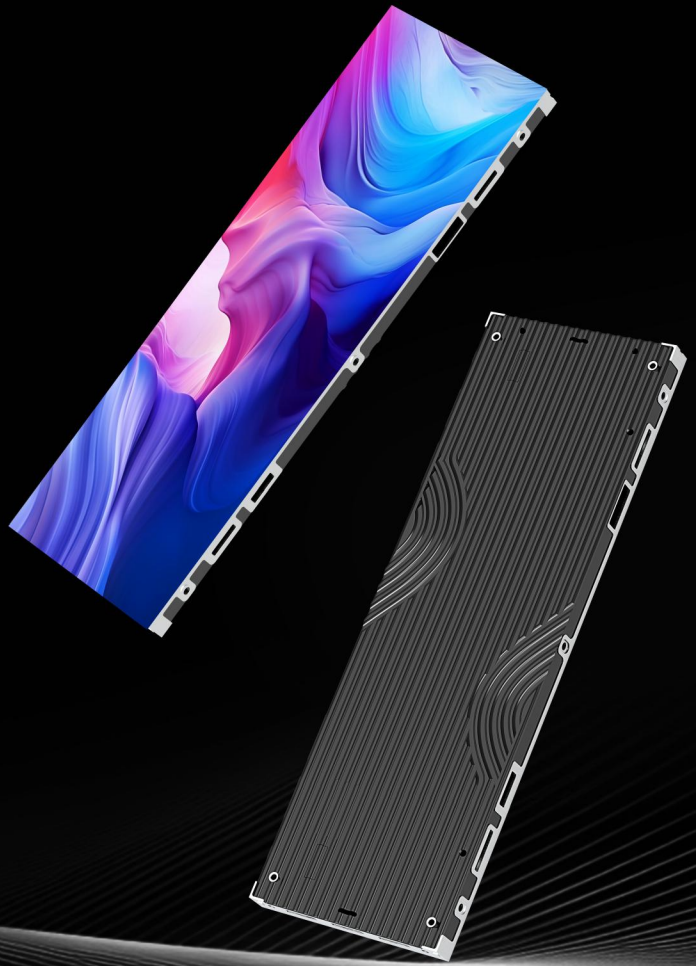

Variety of shapes
